We are always at your services

SUNTECH HVAC ENGINEERING ,SUNTECH POWER TECHNOLOGY started its journey to ensure high quality services in electronic, power, engineering & Technological sectors in Bangladesh. The company established with some excellent academic and professionally high-skilled engineers, technologists, technicians, and marketing experts in the specific field. We always want to develop partnership with our valued client to ensuring highest quality products & service as our commitment on the basis of **The Guidant Principales** like Transparency, Customer satisfaction, Excellence, Integrity, Teamwork, Safety and Efficiency. We representing of some world renowned **Brand products specially Air Conditioner (HVAC), Elevators, Power-generators, Sub-stations, Solar Energy, Fire Safety & Security systems etc.** The company is managed by highly motivated professionals with expert knowledge and specialization in sales and marketing with after sales customer services i.e. Engineering & Tech. Support. Although the company is fighting with some big companies in the country and able to handle most of the basic and some advanced systems which gives us privilege over other companies. The office is well equipped with all modern communication systems and service facilities. It is centrally located in a prime commercial area in Dhaka, the Capital city of Bangladesh.

GENERAL INFORMATION

- Name of the Company : SUNTECH HVAC ENGINEERING LTD.
SUNTECH POWER TECHNOLOGY
- Dhaka Office Address : Ka-93/C,Flat:2C ,Kuratoly ,Khilkhat, Dhaka-1229
- E-mail : suntechhvac@gmail.com
suntechhvacbd@gmail.com
- Workshop and Godown : 134, Toque House, Minartec , Uttar khan .
- Date of Establishment : April, 2008.
- Other Information :

1. Office Area	:	2000 Sft.
2. Workshop Area	:	1000 Sft.
3. Store Area	:	5000 Sft.
4. Transport	:	Car : 01 Nos.
		Pickup : 01 Nos.
		Motor Bike : 02 Nos.
- Staff

A) Graduate Engineers	:	05 Employee
B) Diploma Engineers	:	09 Employee
C) Accountants	:	02 Employee
D) Procurement and Admin.	:	01 Employee
E) Supervisor	:	03 Employee
F) Pipe Welder and Fabricator	:	5 Employee
G) Duct man	:	10 Employee
H) A/C Technicians	:	15 Employee
I) Skilled and Unskilled Helpers	:	15 Employee
J) Sales Team	:	5 Employee

ENGINEERING PERSONEL & QUALIFICATIONS:

SL.	Employee Name	Qualifications of B.Sc. Engineer (Mechanical/EEE)
01	Md.Sarowar Jahan	B.Sc. Engineer (EEE)
02	Md.Balayet Hossain	B.Sc. Engineer (EEE)
03	Md.Amdadul Haque	B.Sc. Engineer (Mechanical)
04	Md.Robiul Islam	B.Sc. Engineer (Mechanical)
05	Mr. Raihan Mia	B.Sc. Engineer (EEE)

SL.	Employee Name	Qualifications of Diploma Engineer
01	Md. Ziyaul Haque	Diploma Engineer (Electrical)
02	Md. Sabbir Hossain	Diploma Engineer (Electrical)
03	Mr. Sagor Hossain	Diploma Engineer (Mechanical)
04	Miss Taruchaya	Diploma Engineer (Mechanical)
05	Mr. Rafiqul Islam	Diploma Engineer (Mechanical)
06	Md. Matiul Islam	Diploma Engineer (Electrical)
07	Mr. Yasin	Diploma Engineer (Mechanical)
08	Mr. Abir Khan	Diploma Engineer (Electronics)
09	Md. Islam Ahmed	Diploma Engineer Electronics)

SUNTECH HVAC ENGINEERING

NATURE OF ACTIVITIES

➤ *Designing*

1. HVAC Design of Hospital ,Pharmaceuticals & Food Industry with GMP Rules
2. HVAC Design of industrial and Commercial ,Green Building ,Data Center
3. Ducting & Piping Design for Central Air-Conditioning System.
4. Ventilation Design for all area.
5. Clean room design with all Classes.

➤ *Supply, Installation, Supervision and Commissioning of HVAC Systems*

1. Air Cooled and Water Cooled Chiller, Cooling Tower, FCU, AHU, Pump, Valves Accessories for uses Pharmaceutical, Hospital, Commercial, Industrial Solutions.
2. VRF /VRV System for Commercial Industrial ,Commercial Solutions.
3. Dehumidifier, Sandwich Panel, HEPA Filter, Dust Collector for Clean room solutions.
4. Split Wall, Ceiling, Cassette, Floor Standing, Ducted for Residential, Commercial, Industrial solutions.
5. Ducting, Piping, Insulation & Jacketing works for Central Air conditioning systems.

HVAC PRODUCTS

We are established to dedicate itself to Electronic products and services of **HVAC** Air Conditioner import, sales, marketing, distribution and supply in Resident, Corporate Offices, Pharmaceuticals, Hospital, Education Sectors, Bank & Financial Institutions, Telecommunications Industries, Group of Companies, Multinational Companies, Pharmaceutical Companies, Market & Shopping Mall, Garments & textile Industries, Print & Electric Media etc. in Bangladesh and ready to ensure **high quality, after sales service and customer support.**

BUSINESS PARTNER:

- Brand **HITACHI**, Manufacture and Shipment from Malaysia
- Brand **FUJUAIRE**, Manufacture and Shipment from Malaysia
- Brand **DUNHAM-BUSH**, Manufacture and Shipment from Malaysia
- Brand **CHIGO**, Manufacture and Shipment from China
- Brand **MAC**, AHU ,Manufacturing and shipment from Malaysia
- Brand **KURGER** ,FAN ,Manufacturing and shipment from Malaysia

Available Capacity

- Ducted Type: 3.0 – 62.50 TR
- VRF/VRV Type: 7.0 – 51.0TR
- Chiller Type:20.0 – 500.0TR
- Split Type: 1.0 – 5.0 TR

- Brand **AIRKEY**, SANDWICH PANEL ,Manufacturing and shipment from China
- Brand **GOZ**, DEHUMIDIFIER, Manufacturing and shipment from China
- Brand **GENERAL** , Manufacture and Shipment from Thailand

OUR ASSIGNED BRAND:

SUNTECH POWER TECHNOLOGY

NATURE OF ACTIVITIES

➤ *Design, Supply, Installation, Supervision and Commissioning of Substation, Lift Escalators, Fire Protection & Detention Systems and Generator.*

1. Transformer, PFI , LT, HT, LBS ,Busbar Tracing of different capacity for Residential ,Commercial, Industrial Solutions.
2. Lift & Escalators for Residential ,Commercial, Industrial Solutions.
3. Fire Protection & Detection Systems for Residential ,Commercial, Industrial Solutions
4. Diesel & Gas Generator , ATS for Residential ,Commercial, Industrial Solutions.

SUB-STATION

We are also manufacturer of power **Distribution Sub-station** for 100kva to 3000kva Transformer (Transformer, PFI, LT, HT, LBS etc.) including **powder coated plant** in our manufacture plant is located in Dhaka.

- Sub-station: Best quality from 100KVA to 3000KVA.
- Transformer from Energy Pac & GEM Plant
- Magnetic Conductor: TOGAMI (JAPAN)
- Capacitor: EPCOS (Origin- Germany)/AENER (SPAIN)
- Circuit Breaker: ABB (ITALY), Relay: Beluk (Germany)

LIFT & ESCALATORS

Elevators are the main transportation arteries in the modern building and are a building's economic success. We provide all types of passenger lifts of different capacities.

Business Partner:

1. Brand “**MOVI**”, Manufacture & Shipment From ITALY
2. Brand “**Sanel Lift**”, Manufacture & Shipment from Turkey
3. Brand “**MATIZ**”, Manufacture & Shipmen`t from China
4. Brand “**MODEUN**”, Manufacture & Shipment from Korea

- For All Brands**
- Capsule Elevators
 - Passenger Elevators
 - Hospital Elevators
 - Industrial Cargo Lift
 - Machine Room less Elevators

Italian Lift (MOVI)

Turkish Lift (SANEL)

China Lift (MATIZ)

FIRE DETECTION & PROTECTION SYSTEMS

- Fire Detection & Alarm System
- Fire Hydrant & Sprinkler System
- Auto Gas Suppression System (inergen, FM-200, CO2, Pyrogen etc.).
- Portable Fire Extinguisher
- Other Fire Related Product

GENERATOR

We representing world class super silent generators for Real Estate, Housing, Commercial Complex, Industries, etc. and also provide generators servicing facilities. Specifications are listed below-

Brand: Forest City/POWERLINK, Shipment From UK

- Diesel Generator(10-2250 KVA)
- **Perkins** engine with **Leroy somer** /Stamford alternator.
- Cummins engine with Stamford alternator.
- Super Silent Canopy.
- Low fuel consumption.
- Easy to operate.

- Brand **Ricardo Series Engine**, Manufacture and Shipment from China
- Brand **Yuchai Diesel Engine, Marin Engine, Gas Generator etc.** Manufacture and Shipment from China

- Petrol Generator
- Diesel Generator
- D.C Diesel Generator
- Gas Generator
- AMF, ATS, Battery Charger, diesel tanks
- Super Silent or TAPE Brand Canopy
- Others Generator related product.
- We made Foreign type canopy for all brand generators.

SOME COMPLETED HVAC PROJECT :

Sl No	Projects	Project Address	Contact Person	Supply & Service
1.	Ad –din Hospital	2,Boro Maghbazer ,Dhaka	Engr.Mursalin (Manager)	Split HVAC Systems (OT and General ward)
2.	Ad –din Hospital	Khulna	Mr.Hossain (Manager)	Chiller HVAC Systems (OT and General ward)
3.	Delta Health Care	Mymensingh	Engr. Mominul Islam (Manager)	Split HVAC Systems (OT and ICU)
